

DAY 4 - BUILDING DYNAMIC FRONTEND COMPONENTS FOR YOUR MARKETPLACE

Task Report- Premium Furniture & Decor Marketplace

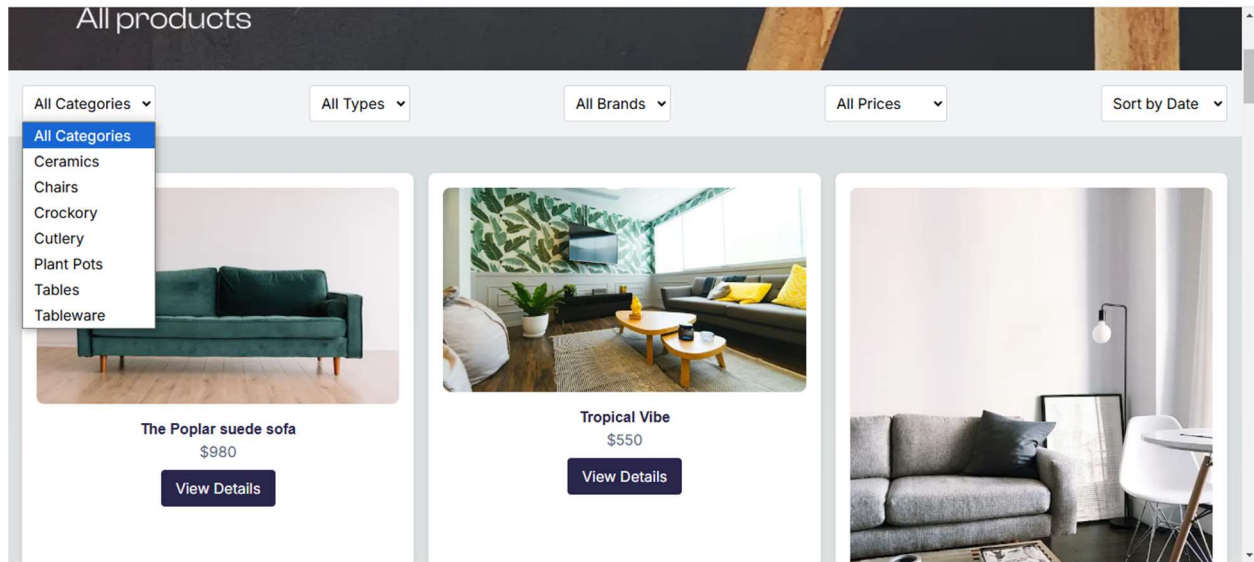

Overview

Day 4 ka main focus tha marketplace app ke liye dynamic frontend components design aur develop karna, jahan Sanity CMS ya APIs se data fetch kiya gaya. Is task me reusable aur modular components banane par kaam kiya gaya, saath hi responsive design kiya gaya hai.

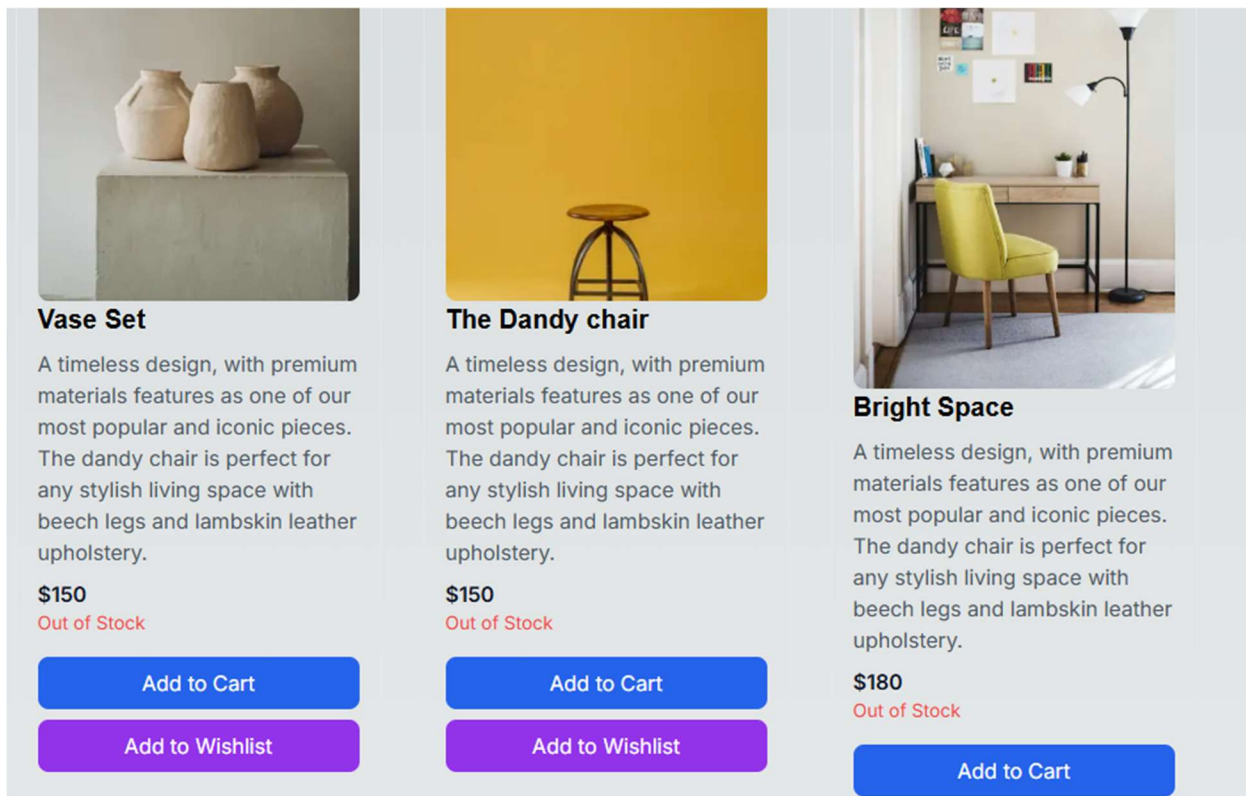

Jo steps complete kiye gaye:

- **Components Design:** Navbar, ProductList, SearchBar, Cart, Wishlist, Checkout Flow, User Profile, Reviews and Ratings, Pagination, Footer, Analytics Dashboard, Multi-Language Support, Order Tracking, FAQ and Help Center, Subscription Management, Admin Dashboard, Discount and Promotion, Social Media Sharing, Bulk Upload, Gift Card and Voucher, Customer Feedback aur Advanced Search jaise reusable components banaye.
- **Dynamic Data Rendering:** Sanity CMS se data fetch karke render kiya.
- **Dynamic Routing:** Products ke liye detail pages banaye.
- **Advanced Filters:** Categories ko refine karne ke liye dynamic filters add kiye.
- **Pagination:** Data navigation ke liye pagination feature implement kiya.
- **Responsive Design:** Components ko har screen size ke liye optimize kiya gaya.

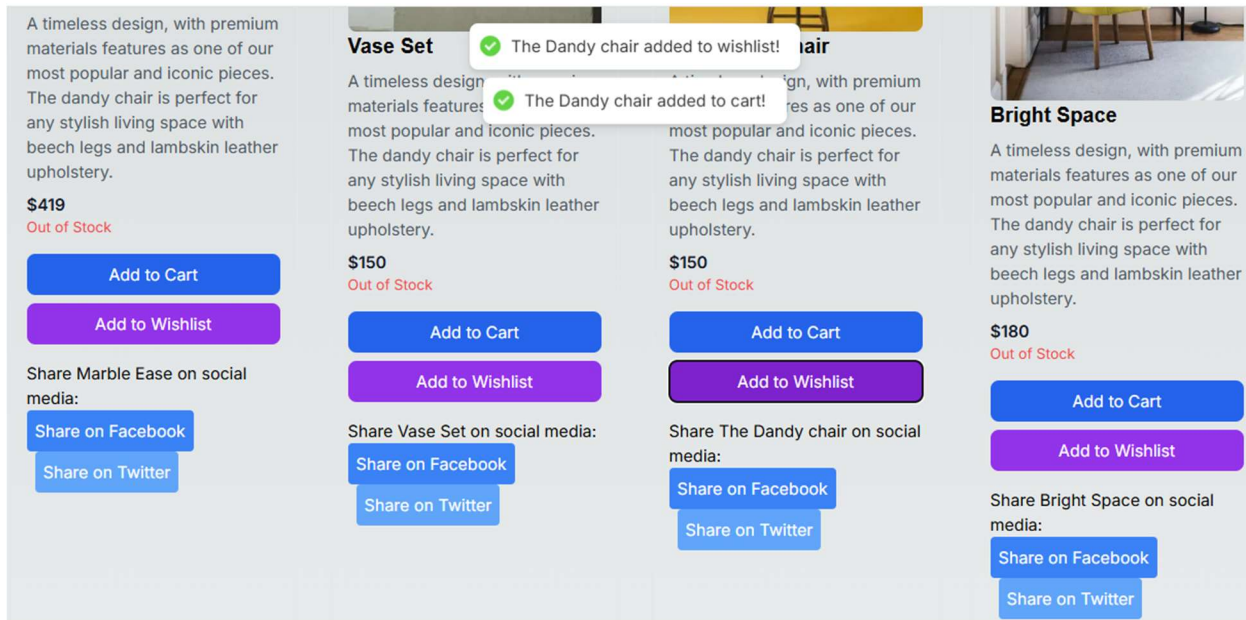

All Product-fetched from Sanity CMS

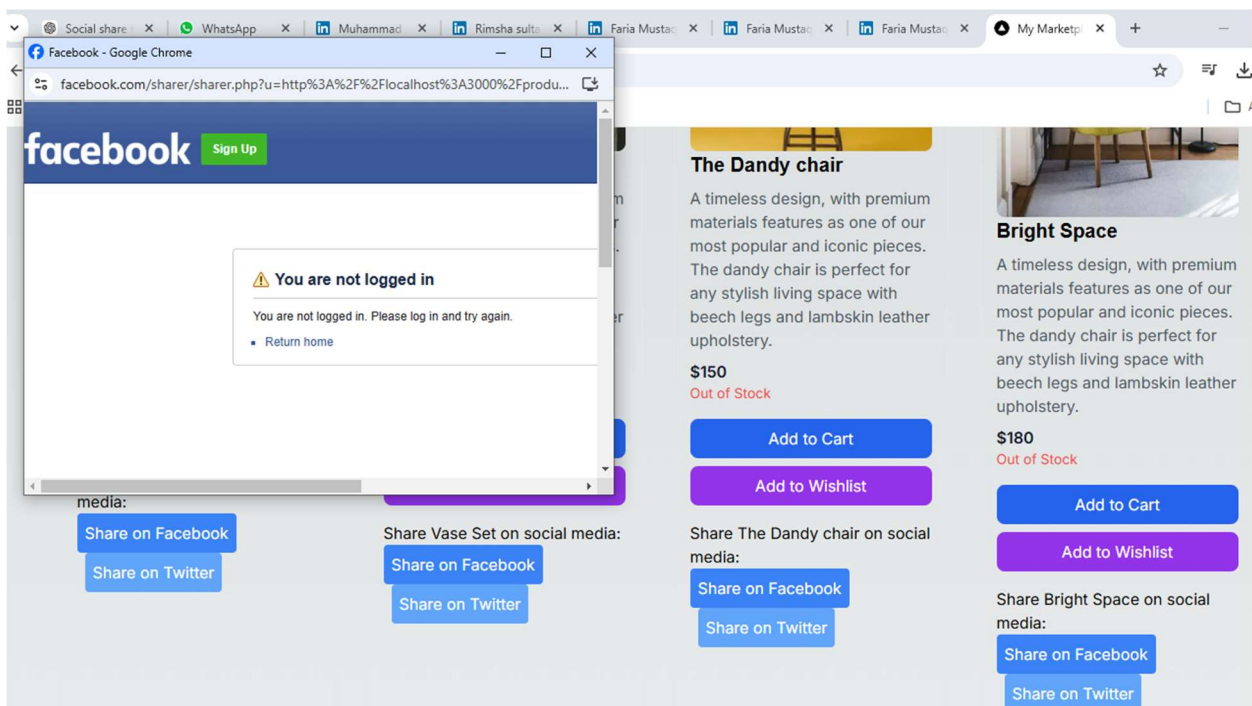

Product Detail Page

Notification - Add functionality to display a notification when a product is added to the cart or Wishlist.

Social Share- When sharing on Facebook or Twitter, the respective Facebook/Twitter page will open.

Wishlist- click on "Buy Now," the order form will open.

Subscription

The screenshot shows a dark-themed website footer. It is divided into four main sections: Menu, Categories, Our company, and a mailing list sign-up. The Menu section lists 'New arrivals', 'Best sellers', 'Recently viewed', 'Popular this week', and 'All products'. The Categories section lists 'Crocery', 'Furniture', 'Homeware', 'Plant pots', and 'Chairs'. The Our company section lists 'About us', 'Vacancies', 'Contact us', 'Privacy', and 'Returns policy'. The mailing list section has a text input field with 'your@email.com', a 'Sign up' button, and a message 'Please enter a valid email.' Below these sections is a copyright notice 'Copyright 2022 Avion LTD' and a row of social media icons (LinkedIn, Facebook, Instagram, SoundCloud, Twitter, Pinterest). At the bottom, there is a 'Subscribe to our Newsletter' button and a larger 'Subscribe to Our Services' form with an email input field and a 'Subscribe' button.

Pagination

The screenshot shows a pagination control on a light gray background. It consists of a 'Previous' button, a series of numbered links (1, 2, 3, 4, 5), and a 'Next' button. The number '3' is highlighted with a blue background, indicating the current page. The entire pagination control is set against a dark blue footer bar.

Conclusion

Is task me modular aur scalable design ka kaafi experience mila. Sanity CMS ke sath kaam karte huye dynamic data handling aur real-world workflows ko samajhne ka mauka mila. Filters aur search functionality ne project ko aur zyada user-friendly aur professional banaya. Screenshots attach hain jo banaye gaye features aur design ko show karte hain.
